The image shows a matching exercise within a rectangular frame. On the left, there are three sets of items, each enclosed in a decorative oval border with a dotted pattern. The top set contains a small cup and a hairbrush. The middle set contains a comb, a pair of shoes, and a hand. The bottom set contains a sailboat. On the right side of the frame, there are three empty, rounded rectangular boxes. A decorative line with a dotted pattern connects each set of items to its corresponding box. Below the frame, there are two rows of dashed numbers for tracing: the first row contains '1', '2', and '3'; the second row contains '1', '2', and '3'.
